

7 Steps to prepare for the Concession Season

- 1) De winterize (waste & water tank)
- 2) Check for visible deterioration (roof leaks, any outside damage from the elements)
- 3) Visual safety inspection (electrical cords & plugs)
- 4) Inspect & clean the exhaust hood & fan
- 5) Clean all equipment
- 6) Inspect & test cooking equipment & refrigeration
- 7) Make sure your tags, state inspection, fire system & food license are up to date.

If after performing these steps, you feel something is wrong or need help, give Seigfried's a **call**. 717-933-5419

We Specialize In Servicing, Customizing & Outfitting Concession Trucks & Trailers. Our technicians and fabricators will make your plans & goals a reality!
